**The pharmacy is perfect for those who want to avoid the long wait typically associated with outside pharmacies when filling their prescriptions.**

Located on the 1<sup>st</sup> floor of the Main Clinic, the Watson Clinic Pharmacy can fill most prescriptions within 5 - 15 minutes, accepts all major insurance co-pays, and offers competitive pricing on a wide assortment of both name brand and generic drugs.

The Watson Clinic Pharmacy is particularly convenient to patients who receive a prescription from their physician while at the Main Clinic, Bella Vista Building, or North Pediatrics locations, allowing for a hassle-free, “one-stop shopping” healthcare experience.

Refills can be attained easily by ordering in person and via our prescription refill request form at [www.WatsonClinic.com](http://www.WatsonClinic.com).

In addition to medications, the Pharmacy offers a variety of in-store items including a full line of greeting cards, snacks, drinks, and various medical items such as blood pressure cuffs, band-aids and more.
